Let down by flavorings and money
grabs / my own impatience + how health
industry antagonizes me.

Listening to Theos shine. Wish I
had friends but if I did I'd
wish I were alone so learning
to use blood as weight.

A fear I want to
address is the
tradeoff of
fame for
security.

the
of
me for
security.
want grip (top
Hybrid ceph anonymous
tech recognition.
enough support &
space.

Leam. photoshop

- Coding - python or java?

Sabarbulo / 2

A handwritten diagram consisting of a dashed line that starts from the left, curves downwards, and ends with an arrow pointing to a small circle. The word "text" is written inside the circle.

technologically advancing sound around plain jamming despite smiles upside down beaming with doubt about my heartiness shroud, woe of the quietly proud! Dance to the vibe distorted by gibes the live that must survive, you like? A propriety for aliveness doth shine!
